
Pathomyotomia Dissection Significant Muscles Affections Minde

though framing his search as a work of rhetoric, bulwer, a ... - pathomyotomia, or a dissection of the significant muscles of the affections of the minde (1649) bulwer, who created the first finger-spelling alphabet, opens chirologia with an extraordinary tribute to the hands' abilities to convey meaning and incite affect: "with these hands", he says, "we sue, entreat,
