Urban Gardening / Farming - Tour of Rick Bayless Property ... In August I toured the Chicago urban farm and garden owned by Rick Bayless - chef and restaurateur. The garden features a mix of traditional beds, raised beds, containers and vertical garden space. It hosts annuals (Tropical), herbs, vegetables, Citrus, fruit, succulents, and "farm" animals. Rick Bayless | The Bayless Gardens The sun-soaked 1000 square-foot backyard area is the main production garden where 13 raised planter beds produce a bounty of specialty salad greens, edible flowers and herbs destined for Rickâ€™s restaurants. The garden beds are in production for 8 months of the year, yielding over 700 pounds of salad greens, 65,000 edible flowers, 250 pounds of herbs and 100 pounds of butternut squash.
